Bhumi Volunteering Impact Dashboard

About Bhumi

Founded in 2006, Bhumi is one of India's largest youth-led volunteer organizations, operating across multiple cities and engaging 30,000+ volunteers annually. The organization drives social change by empowering underprivileged children through education and fostering an equal, socially conscious society. Rooted in accountability, empathy, and action, Bhumi is recognized for its strong grassroots impact and culture of volunteerism.

This report showcases volunteering data from March 2024 to March 2025, covering both Civic and Corporate Volunteering, along with the resulting impact.
